

WENGEN 2008

A brief update

Wow! What a response we have had for yet another return trip to Wengen, Switzerland.

We have a total of 88 Sharks who are on the trip for this year – 75 flying and 13 travelling by their own transport.

Sharks Ski Club will be using two Hotels in Lauterbrunnen; The Jungfrau and The Oberland.

The exact permutations have yet to be finalised as to who stays where and with whom! Watch this space!

Message from Stewart:

Just a final reminder that final payments are due by this Saturday 9th February

If you have any queries about how much you owe - ask!

Also I need your transfer, ski carriage and ski/boot hire requirements. Finally, a number have people have asked if they can ski on the last Saturday as it is unlikely we will be leaving Lauterbrunnen until at least 4pm. I have been able to cost 7 day ski passes into the price, this will allow those who wish to ski to do so or those that just want a trip up to Wengen or Murren to do that as well.

Molly, Pete, Jon and I will be sorting out the Ski Instruction groups during the next few weeks and we will again be offering a very high standard of Ski Instruction – along with lots of fun!

Any questions or concerns about skiing and ski equipment then don't hesitate to ask any of us!

Bye for now – keep praying for snow and get fit for skiing now!

Norman
